

Serial No. 10/025,156
Art Unit 1762

Amendment F

Remarks:

Responsive to the Official Action made mailed February 7, 2005 in connection with the above-referenced application, Applicant respectfully requests reconsideration, reexamination and allowance of claims 1-6, 8-11, 13-17 and 20-21 in view of the above-noted amendments and the following remarks.

First, Applicant would like to take this opportunity to thank Examiner Parker for his continued kind consideration, time and patience during prosecution of the present, and for the forwarded copies of the PTO-1449 forms (and Information Disclosure Statements) for the present application.

Applicant would also like to thank Examiner Parker for his indication that claims 12-14 contain allowable subject matter.

Accordingly, Applicant has amended claim 1 to include the recitation of claim 12 regarding the electrically charged spray, has cancelled claim 12, and has amended claim 14 to stand independent.

In addition, Applicant has amended claim 20 to reference claim 1 and claim 21 to reference claim 14. In addition, Applicant has also amended claim 21 to delete the recitation directed to the non-conductive language, so that claim 21 parallels claim 20, but references back to claim 14 (rather than claim 1).

Applicant submits that claims 1-6, 8-11, 13-17 and 20-21 are in condition for allowance, and such action is earnestly submitted. Applicant believes that there is no fee due in connection with the present Amendment F. If, however, there is a fee due, Applicant authorizes the Commissioner to charge any underpayment, or credit any overpayment, to Deposit Account No. 23-0920. Should any petitions be necessary, applicant requests that this paper constitute any such necessary petition.
